

Vandalite Home Office Supply & Projects

Vandalite Lighting was established in 1990 to provide the lighting industry with high quality vandal resistant lighting specifically targeted at the UK Home Office/Ministry of Justice Prison & Custodial Departments. We have developed with the Home Office/Ministry of Justice over many years an ever changing range of fittings which meet the stringent standards required for installation in custodial 'sensitive areas' & are still currently updating the range to meet the current & ever changing specification.

We have supplied the UK & International Prison Authorities for over 15 years supplying the Prison Cell lighting ('safer' & 'standard cell'), Circulation Areas, Offices, Reception, Exercise & Court Yard etc on many, many numerous projects, listed below are a small selection of HMP Prison & HMP Hospital projects undertaken by Vandalite over the last 5 years.
